

FS Reader Update (Year 7)

Five Senses Reader

1

Update to apps and server

Five Senses is releasing new versions of its app on Thursday 10 August.

2

On Thursday afternoon / evening please log back into the FS Reader App

Your iPads will be automatically updated by the school.

After updating, log back in to FS Reader with:

username: (your Amity email address)

password: amity999

View your ebooks in the Library tab. If you need to redownload them at any time, you can now access them directly from 'Get Books'

3

New features in FS Reader

After this upgrade, you will be able to view Jacaranda content inside the Five Senses Reader app.

If you have set up your Jacaranda account using your Amity email address, you will be automatically logged into Jacaranda inside the Five Senses app.

To access interactive content from Jacaranda, go to Get Books and click on the 'web' versions of your Jacaranda textbooks.

!

Queries and Support

In case of any difficulty, please email support@fivesenseseducation.com.au and quote your student name and the ebooks you are needing to recover. The Five Senses team will confirm your purchase of that item and resupply.

In the event of the FS Reader update causing unexpected issues, you can follow our updates at www.fivesenseseducation.com.au/updates
