Primary Spanish Blackline Masters 1.
Foreword

Primary Spanish Blackline Masters 1 is a Teacher Support book written in conjunction with Primary Spanish Workbook 1. It comprises a wealth of timesaving ideas including awards, cards, revision tests, craft activities, cultural sheets, programming pro formas and title pages. As well, this resource will prove invaluable to primary teachers of Spanish, since it provides lists of frequently used vocabulary ready to be copied for display around the classroom. Teachers can encourage their students to show creativity as they make cards for special occasions, design their own games and decorate title pages for their books or folders. This book shows how easy it is to produce motivating lessons, promoting language learning throughout your whole school community.

¡Buena suerte!
