PREFACE

LEARNING GRAMMAR WORKBOOK 1 is specially designed to guide and expand a student's usage of grammar in the English language.

Table of Contents

This shows clearly the objectives of each lesson and where online activities are tagged, making it easy to identify specific grammar topics for learning.

Grammar Lessons

Each lesson has a specific learning focus and begins with concise explanatory notes and examples.

Practice Exercises

The exercises are designed to supplement learning and encourage correct application of English grammar.

Glossary

Meanings of selected words from each lesson are found here to build vocabulary and to improve comprehension.

Answers

Designed with an option to be an independent booklet, the answer key contains answers to all questions, including suggested answers for open-ended questions.

Tear-out Format

This means the lessons and exercises can be easily removed and presented as homework or class work or quizzes. The glossary and answer pages can be removed and filed away for future reference.

Additional Reproducible Activities, available FREE online at

<http://onlineresources.sapgrp.com/>

Reproducible worksheets on selected topics are available here. These are useful as quick assessments of a child's understanding of the work taught.

Lesson Plans, available FREE online at

<http://onlineresources.sapgrp.com/teachers/>

Ideas and suggestions on how to present each lesson to enhance learning are provided here. These are useful resources for both classroom and home learning.
