PREFACE

Conquer Pre-school Mathematics is a pre-school series designed to prepare children for primary school. Each book, K1A, K1B, K2A and K2B, contains a careful selection of mathematical activities covering essential topics and skill sets.

"Let's start!"
Begin by downloading the **FREE learning charts (onlineresources.sapgrp.com)** to complement the activities in the book. The charts serve as great learning and teaching tools.

"What's in this book?"
This pre-school series focuses on counting, addition and subtraction, and essential topics on measurements such as length, mass, time and money. The system of awarding marks for every activity is used to motivate the child in this learning adventure.

"Yes, I understand now!"
That's what we want to hear from the children when they try the activities in the book. The progressive activities are structured with specific learning objectives. Parents and educators will understand the purpose of each activity and they can monitor the children's progress and accomplishments.

Conquer Pre-school Mathematics K1 and **K2** complete the learning of pre-school mathematics and prepare children for primary level mathematics.

The Editorial Team

Contents

Activity	Learning Objective	Page
1	Counting numbers 11-20	1
2	Counting numbers 21-30	7
3	Counting numbers 31-40	13
4	Grouping numbers in sets of 10	19
5	Identifying numbers with number words	23
6	Making number patterns	33
★	Learning Guide: Tens and Ones	37
7	Recognising numbers in tens and ones place	39
8		41
9	Adding with pictures	43
10	Addition with "more than"	49
11	Read and write addition sentence with pictures	53
12	Adding 1-digit numbers	57
13	Subtracting with pictures within 20	59
14	Subtraction with "less than"	65
15	Subtraction within 20	69

Online **Additional activities available online:** onlineresources.sapgrp.com

Activity	Learning Objective	Page
★	Learning Guide: Number bonds	71
16	Forming number bonds	73
17	Adding with number bonds within 20	79
18	Solving 1-step word problems (Addition within 20)	85
19	Solving 1-step word problems (Subtraction within 20)	93
20	Multiplication table of 2 (within 20)	101
21	Multiplication table of 3 (within 30)	105
★	Learning Guide: Division	109
22	Dividing objects into 2 equal sets	111
23	Dividing objects into 3 equal sets	119

Answers available online: onlineresources.sapgrp.com

Proceed to Conquer Pre-School Mathematics K2B to learn these:

• Comparing and ordering numbers • Rearranging numbers from the smallest to the biggest • Rearranging numbers from the biggest to the smallest • Recognising patterns • Comparing lengths • Comparing heights • Counting and comparing numbers • Comparing sizes • Comparing volumes • Comparing masses • Classifying shapes and objects • Reading and interpreting picture graphs • Interpreting data and completing picture graphs • Telling time • Telling the time using o'clock • Telling the time using half-past • Identifying coins and notes of different denominations
